DESCRIPTION

Minipack@-torre always pursues its pioneering spirit. Indeed, the company was set up more than 40 years ago, precisely thanks to the idea of chamber machines, which was patented in 1976. But ideas cannot stop. Today, the company is launching a new line which is the result of years of research and development and represents the synthesis of the **minipack@-torre** compact machines: easy to use, sturdy and reliable.
